

Office of the City Manager

ACTION CALENDAR
May 7, 2013
(Continued from April 2, 2013)

To: Honorable Mayor and Members of the City Council
From:  Christine Daniel, City Manager
Subject: Draft Mayor and Council Office Budget Donation Policy

RECOMMENDATION

Provide comments on a draft Mayor and Councilmember Office Budget Donation policy and, if appropriate, provide direction to the City Manager to return with a draft Resolution modifying the policy for the City Council’s consideration.

FISCAL IMPACTS OF RECOMMENDATION

There are no direct fiscal impacts from modification of the policy.

CURRENT SITUATION AND ITS EFFECTS

Members of the City Council have indicated an interest in discussing a more specific policy concerning donations from the office budgets of the Mayor and City Councilmembers. The current policy allows the City Council to approve donations from their office budgets to the City’s General Fund, and direct the City Manager to then make a grant of General Funds to a designated group or organization. The law requires that the City Council articulate a “municipal purpose” for such donations and grants. An alternative approach is presented in the draft “Councilmember Office Budget Relinquishment/Grant Policy” submitted for the City Council’s comment and discussion. (See Attachment 1.)

BACKGROUND

On July 25, 2006, the City Council adopted Resolution No. 63,412-N.S., “Establishing Council Expenditure and Reimbursement Policies.” (See Attachment 2.) This Resolution was intended to implement AB 1234, at that time a new state law that required all cities to adopt an expense reimbursement policy for Mayor and Council expenses. This Resolution specifically identifies authorized activities for expenditures and additionally provides: “Expenditures for all other activities require prior approval by the City Council and must meet an articulate municipal purpose that must be recited in the report proposing the expenditure and the resolution authorizing the expenditure.” This provision has been implemented by way of reports from the Mayor or individual Councilmembers who wish to donate funds from their office budgets and then direct the City Manager to grant those funds to a specific organization. Those reports and the accompanying resolution, as required by Resolution No. 63,412, should state the specific municipal purpose for the expenditure of the funds.

ALTERNATIVE ACTIONS CONSIDERED

The existing policy set forth in Resolution No. 63,412-N.S. could remain unmodified.

Draft Councilmember Office Budget Relinquishment/Grant Policy

Introduction – Limitations on the Expenditure of Public Funds

The basic purpose of the City as an entity is to exist and function *as a municipality*. This is also reflected in the Charter, which limits the Council's powers only to those "municipal affairs adequate to a complete system of local government". (Section 38.)

Exercises of this power may not be used solely to further the interests of particular individuals, although they may incidentally benefit private interests:

The exercise of the police power is available only for the purpose of promoting the general welfare, the interests of the public as distinguished from those of individuals or persons. It cannot be used to promote private gain or advantage, except so far as the same may also promote the public interest and welfare, and it is the latter, and not the former, effect which forms the basis of the power and warrants its exercise.

(*Binford v. Boyd* (1918) 178 Cal. 458, 461.)

The Council's basic powers circumscribe its ability to spend public funds. In other words, the Council cannot spend public funds for purposes that are beyond its authority in the first place. Thus the City may only use its funds for municipal purposes. In any given case the crucial inquiry is whether an expenditure serves such a purpose.

The determination of what constitutes a public purpose is primarily a matter for the legislature, and its discretion will not be disturbed by the courts so long as that determination has a reasonable basis.

(*County of Alameda v. Carlson* (1971) 5 Cal.3d 730, 745-746.)

If the courts find that there is a valid public purpose, they next examine whether the government's actions are reasonably related to effectuating this purpose. (*Tip Top Foods, Inc. v. Lyng* (1972) 28 Cal.App.3d 533, 541.) Public appropriations granted to private interests will not be considered unlawful diversions of public funds when the transaction serves the public interest, merely granting an incidental benefit to the private individual. (*Cane v. City and County of San Francisco* (1978) 78 Cal.App.3d 654, 660.)

Possible Criteria for Grants of City Funds from Councilmember Office Budgets

A number of criteria have been suggested for limiting the relinquishment and grant of surplus Councilmember office budget funds. There are two ways that criteria could potentially limit such relinquishments and grants: by limiting the *purposes* for which they may be made, and by limiting the *recipients* to whom they may be made. In addition, short of prohibiting certain types of relinquishments and grants, it is possible to establish

different processes for making them, depending on either or both of the limiting factors noted above.

Potential limiting criteria that address both purposes and recipients are as follows:

Recipient	Purpose
The City (<i>e.g.</i> , the Berkeley Public Library, the Berkeley Animal Shelter)	Any purpose already being undertaken, because it already serves a public purpose. This includes both grants and attendance at fundraising events in capacity as the Mayor or a Councilmember.
BUSD and other public agencies operating in Berkeley	Any purpose already being undertaken, because it already serves a public purpose, assuming the activity is in Berkeley. This includes both grants and attendance at fundraising events in capacity as the Mayor or a Councilmember.
Entities with which the City is co-sponsoring a public event in Berkeley (<i>e.g.</i> , Earth Day, Solano Stroll).	City co-sponsorship suggests but is not conclusive of public purpose; public purpose would need to be stated, and all such events should be open to the public at no cost. Alternatively, a list of ongoing events that have been determined to serve a public purpose could be developed.
Entities in Berkeley to which the City already contributes funds for municipal purposes (<i>e.g.</i> , affordable housing or social service nonprofits)	To advance the same public purposes for which the entities are funded. This includes both grants and attendance at fundraising events in capacity as the Mayor or a Councilmember.

Relinquishments and grants for purposes and recipients that fall within these categories could be “pre-approved” by the Council, perhaps at the beginning of each fiscal year, thereby avoiding the need for individual Council items.

Other proposed relinquishments and grants could be proposed in the same manner as is currently the case, but could require a 2/3 vote by the Council to approve them in order to ensure an appropriate public purpose has been articulated.

RESOLUTION NO. 63,412–N.S.

ESTABLISHING COUNCIL EXPENDITURE AND REIMBURSEMENT POLICIES

WHEREAS, each fiscal year, the City Council appropriates funds in the Mayor and Councilmember’s departmental budgets to cover the costs of Mayor and Council staff and non-personnel expenditures which are reasonable and necessary for the performance of the duties of Mayor and Councilmember; and

WHEREAS, the procedure for expending these funds has evolved and has not been governed by a formal Council resolution; and

WHEREAS, the Council needs to ensure that the expenditures are incurred and paid in conformity with the requirements of the City Charter; and

WHEREAS, AB 1234, a new state law, requires that all cities adopt an expense reimbursement policy for Mayor and Council expenses.

NOW THEREFORE, BE IT RESOLVED by the City Council of the City of Berkeley that Resolution No. 59,597–N.S. and any amendments thereto are hereby rescinded.

BE IT FURTHER RESOLVED, that a policy concerning City Expenditures and Expense Reimbursement for Mayor and Council departments is hereby adopted to read as follows:

CITY EXPENDITURES AND EXPENSE REIMBURSEMENT FOR MAYOR AND COUNCIL DEPARTMENTS

I. City Expenditures for Mayor and Council

The Mayor and Council members shall purchase all office supplies, office equipment, furniture, computers, or any other product, good, or service for the actual and necessary expense of their office in the manner normally applicable to all other purchases of goods and services by the City. Such expenses may include membership in organizations of elected officials and the purchase of newspapers and periodicals that provide information needed for the performance of official duties.

II. Reimbursement of Actual and Necessary Expense of Office

The Mayor and Council members and their staff may be reimbursed for the actual and necessary expenses for the categories of activities set forth below under “Authorized Activities.”

A. Authorized Activities.

Travel, meals and lodging incurred in connection with the following types of activities set forth below constitute authorized expenses, as long as the other requirements of this Resolution are fulfilled:

1. Communicating with representatives of local, regional, state and national government on City policy positions;
2. Attending educational seminars designed to improve officials' skill and information levels, provided that a brief report of such seminar shall be made by the Mayor and Council at a subsequent Council meeting;
3. Participating in local, regional, state and national organizations of cities whose activities affect the City's interests;
4. Recognizing service to the City (for example, thanking a longtime employee with a retirement gift or celebration of nominal value and cost);
5. Attending City events; or events sponsored by organizations or entities whose activities affect the City's interests where the primary purpose of the event is to discuss subjects which relate to City business;
6. Implementing City approved policies;
7. Meals where the primary purpose of the meal is to conduct City-related business (other than simply meeting constituents) as long as the amount of such meal does not exceed the daily maximum as set forth in this Resolution and meets applicable federal and state standards as to when meal reimbursement may be allowed; and
8. Expenditures for these purposes approved in advance by a Mayor or Council member and undertaken by that person's staff.

Expenditures for all other activities require prior approval by the City Council and must meet an articulate municipal purpose that must be recited in the report proposing the expenditure and the resolution authorizing the expenditure.

B. Unauthorized Expenses

The following personal expenditures incurred by City officials shall not be reimbursed:

1. The personal portion of any trip, such as where the official is on his/her own vacation activities;
2. Political contributions or attendance at political or charitable events;
3. Family expenses, including partner's expenses when accompanying official on agency-related business, as well as children or pet-related expenses;
4. Entertainment expenses, including theater, movies (either in-room or at the theater), sporting events (including gym, massage and/or golf related expenses), or other recreational and cultural events;
5. Alcoholic beverages;
6. Non-mileage personal automobile expenses, including repairs, traffic citations, insurance or gasoline; and
7. Personal losses incurred while on City business. Any questions regarding the propriety of a particular type of expense should be resolved by the City Council before the expense is incurred.

C. Particular Types of Authorized Expenditures Defined

To conserve City resources and keep expenses within community standards for public officials, expenditures should adhere to the following guidelines. In the event that expenses are incurred which exceed these guidelines, the cost borne or reimbursed by the City will be limited to the costs that fall within the guidelines.

1. **Registration.** Registration fee charged for any authorized convention, conference, seminar or meeting is reimbursable.
2. **Transportation.** The most economical mode and class of transportation reasonably consistent with scheduling needs and cargo space requirements must be used, using the most direct and time-efficient route. Charges for rental-vehicles may be reimbursed under this provision if more than one City official is attending an out of town conference, and it is determined that sharing a rental vehicle is more economical than other forms of transportation. In making such determination, the cost of the rental vehicle, parking and gasoline will be compared to the combined cost of such other forms of transportation. Government and group rates must be used when available.
3. **Airfare.** Airfares that are equal to or less than those available through the Enhanced Local Government Airfare Program offered through the League of California Cities, the California State Association of Counties and the State of California are presumed to be the most economical and reasonable for purposes of reimbursement under this policy.
4. **Automobile.** Automobile mileage is reimbursed at Internal Revenue Service rates presently in effect. These rates are designed to compensate the driver for gasoline, insurance, maintenance, and other expenses associated with operating the vehicle. This amount does not include bridge and road tolls, which are also reimbursable. The Internal Revenue Service rates will not be paid for rental vehicles; only receipted fuel expenses will be reimbursed.
5. **Car Rental.** Rental rates that are equal or less than those available through the State of California's website (<http://www.catravelsmart.com/default.htm>) shall be considered the most economical and reasonable for purposes of reimbursement under this policy.
6. **Taxis/Shuttles.** Taxis or shuttles fares may be reimbursed, including a 15 percent gratuity per fare, when the cost of such fares is equal or less than the cost of car rentals, gasoline and parking combined, or when such transportation is necessary for time-efficiency.
7. **Lodging.** Lodging expenses will be reimbursed or paid for when travel on official City business which reasonably requires an overnight stay. If such lodging is in connection with a conference, lodging expenses must not exceed the group rate published by the conference sponsor for the meeting in question. Travelers must request government rates, when available. In the event that government rates are not available at a given time or in a given area, lodging rates that do not exceed the IRS per diem rates for a given area are presumed reasonable and hence reimbursable.

8. **Meals.** Meal expenses and associated gratuities should be moderate, taking into account community standards and the prevailing restaurant costs of the area. A helpful source of guidance is Internal Revenue Service per diem rates for meals and incidental expenses, which include adjustments for higher costs locations (*see* Publication 1542 at www.irs.gov or www.policyworks.gov/perdiem).
9. **Telephone/Fax/Cellular.** Council members will be reimbursed for actual telephone and fax expenses incurred on City business. Telephone bills should identify which calls were made on City business. For calls made on an official's personal cell phone, the official may obtain reimbursement for business calls based on the following formula: minutes used on public business divided by the total minutes allowed under a monthly plan, plus long-distances charges for those calls.
10. **Airport Parking.** Airport parking must be used for travel exceeding 24-hours.
11. **Other Travel Related Expenses.** Baggage handling fees of up to \$1 per bag and gratuities of up to 15 percent will be reimbursed. Expenses for which City officials receive reimbursement from another agency are not reimbursable.
12. **Miscellaneous Office Products.** Notwithstanding the requirement in Section I, occasionally an elected officer or officer's staff may need to make an immediate small out of pocket purchase of office supplies that are normally ordered by the City for which payment is paid directly to the vendor. The City in accordance with the applicable City Manager Administrative Regulation concerning petty cash refunds may reimburse such purchases.

D. Cash Advance Policy

From time to time, it may be necessary for an official to request a cash advance to cover anticipated expenses while traveling or doing business on the City's behalf. Such request for an advance should be submitted to the City Auditor, and copied to the City Manager, ten (10) working days prior to the need for the advance with the following information:

1. The purpose of the expenditure(s);
2. Whether the expenditure is for an authorized activity
3. The benefit to the residents of the City.
4. The anticipated amount of the expenditure(s) (for example, hotel rates, meal costs, and transportation expenses); and
5. The dates of the expenditure(s).

Any unused advance must be returned to the City within five (5) working days of the official's return, along with an expense report and receipts documenting how the advance was used in compliance with this expense policy.

E. Expense Report Content and Submission Deadline

1. A Statement of Expense must be completed, signed and submitted to the City Auditor for review and forwarding to the Finance Department for payment. The Statement of Expense must document that the expense in question met the requirements of this Resolution. For example, if the meeting is with a legislator,

the local agency official should explain whose meals were purchased, what issues were discussed and how those relate to the City's adopted legislative positions and priorities.

2. Officials must submit their Statement of Expense reports to the Auditor's Office within 30 days of an expense being incurred, accompanied by receipts documenting each expense. Restaurant receipts, in addition to any credit card receipts, are also part of the necessary documentation. Receipts for gratuities and tolls under \$5 are not required.
3. Inability to provide such documentation in a timely fashion may result in the expense being borne by the official.

F. Audits of Expense Reports

All expenses are subject to verification of compliance with this policy.

G. Reports

At the following City Council meeting, each official shall briefly report on meetings attended at City expense. If multiple officials attended, a joint report may be made.

H. Compliance with Laws

City officials should keep in mind that some expenditures may be subject to reporting under the Political Reform Act and other laws. All agency expenditures are public records subject to disclosure under the Public Records Act.

I. Violation Of This Policy

Use of public resources or falsifying expense reports in violation of this policy may result in any or all of the following:

1. loss of reimbursement privileges;
2. a demand for restitution to the City;
3. the City's reporting the expenses as income to the elected official to state and federal tax authorities;
4. civil penalties of up to \$1,000 per day and three times the value of the resources used; and
5. prosecution for misuse of public resources.
