

Office of the City Manager

CONSENT CALENDAR  
September 10, 2013

To: Honorable Mayor and Members of the City Council

From:  Christine Daniel, City Manager

Submitted by: Eric Angstadt, Director, Planning and Development

Subject: Execute a Loan Agreement between the City and Successor Agency for the Savo Island Project Area Debt Service Payments of the Retiree Medical Trust Fund Loan

RECOMMENDATION

Adopt a Resolution authorizing the City Manager to execute a Loan Agreement between the City and Successor Agency for the Savo Island Project Area Debt Service Payments of the Retiree Medical Trust Fund Loan in the amount of \$58,960.

FISCAL IMPACTS OF RECOMMENDATION

The loan will provide cash to the Successor Agency so all enforceable obligations can be met.

The funds for the loan will come from the General Fund (Fund 010) and will be officially appropriated as part of the First Amendment to the FY 2014 Annual Appropriations Ordinance. The appropriation will consist of a transfer from the General Fund to the Savo Island Debt Service Fund (Fund 936). Once the funds have been transferred to the Savo Island Debt Service Fund, they will be appropriated in this fund and used to pay the various retiree medical trust funds. The appropriation of the funds in the Savo Island Debt Service Fund will also be included in the First Amendment to the FY 2014 Annual Appropriations Ordinance.

CURRENT SITUATION AND ITS EFFECTS

Successor agencies can only make payments included in approved Recognized Obligation Payment Schedules ("ROPS") for each six-month fiscal period. The Agency requested funds in the ROPS III and ROPS IV periods to pay the Savo Island Debt Service Payments, but they were denied as enforceable obligations by the Department of Finance (DOF). Failure to deem the Savo Island Loan Payable as an enforceable obligation prompted the Successor Agency to file a Petition for Writ against the DOF.

The DOF's rejection of these obligations on ROPS III and IV caused the Successor Agency to default on its debt service payment obligation of March 1, 2013 in the amount of \$18,480 and \$40,480; which was due on September 1, 2013. A loan from the City of

Berkeley (COB) will allow debt service to be paid, if litigation is successful, COB will be repaid from Redevelopment Property Tax Trust Fund (RPTTF).

The receipt and use of this loan must be reflected on the ROPS and is subject to approval of the Oversight Board and submittal to the Department of Finance for their review. The Agreement becomes effective five (5) business days after notice has been provided to the DOF, pending approval by the DOF. If approved, the loan will be listed on the ROPS for January – June 2014. To the extent there are insufficient available property tax allocations, the unpaid balance will be carried over as an enforceable obligation on the subsequent ROPS cycles until paid in full.

### BACKGROUND

Funding for the Savo Island Project Area Debt Service Payments of the Retiree Medical Trust Fund Loan in the ROPS III period (January 1, 2013 – June 30, 2013) was denied on October 18, 2012 as an enforceable obligation by the Department of Finance (DOF). The Successor Agency challenged the DOF's findings and requested a Meet and Confer which was held on November 29, 2012. The Successor Agency submitted additional information and documentation to Finance during the Meet and Confer process.

After review, the Department of Finance issued a final determination on December 18, 2012, to deny this item as an enforceable obligation. On February 22, 2013 the Successor Agency filed a Petition for Writ against the DOF regarding its denial of the Savo Island Project Area Debt Service Payments of the Retiree Medical Trust Fund Loan.

The Successor Agency prepared a ROPS 13-14A for the period between July 1, 2013 and December 31, 2013 (the "Fourth ROPS"); again listing the Savo Island Project Area Debt Service Payments of the Retiree Medical Trust Fund Loan as an enforceable obligation. On April 13, 2013, the Department of Finance disapproved the Savo Island Loan Payable as an enforceable obligation. The Successor Agency challenged the DOF's findings and requested a Meet and Confer which was held on April 25, 2013; the Department of Finance issued a final determination on May 17, 2013, again, denying the Savo Island Project Area Debt Service Payments of the Retiree Medical Trust Fund Loan.

### RATIONALE FOR RECOMMENDATION

Adoption of a loan agreement will allow the Successor Agency to meet debt service payment obligations. If the Agency prevails in litigation, the proposed loan will allow reimbursement from the Redevelopment Property Tax Trust Fund (RPTTF).
