ACTION CALENDAR
December 3, 2013

To: Honorable Mayor and Members of the City Council
 From:  Christine Daniel, City Manager
 Submitted by: Mark Numainville, City Clerk
 Subject: City Council Redistricting Ordinance

RECOMMENDATION

1. Adopt first reading of an Ordinance created from the Berkeley Student District Campaign Plan adjusting the City Council district boundaries pursuant to Section 9, Article V of the Berkeley City Charter, to equalize population in the districts as a result of population changes reflected in the 2010 Decennial Federal Census.
-OR-
2. Adopt first reading of an Ordinance created from the United Student District Amendment Plan adjusting the City Council district boundaries pursuant to Section 9, Article V of the Berkeley City Charter, to equalize population in the districts as a result of population changes reflected in the 2010 Decennial Federal Census.

CURRENT SITUATION AND ITS EFFECTS

At the meeting of July 2, 2013, the City Council directed staff to prepare an ordinance for adoption based on the Berkeley Student District Campaign (BSDC) redistricting plan. Subsequently, at the City Council meeting of September 10, 2013, the Council directed the City Manager to review the proposed United Student District Amendment (USDA) redistricting plan. The Council requested that staff present both the BSDC plan (Attachment 1) and the USDA plan (Attachment 3) in ordinance form for adoption of one of the plans by Council.

The ordinances for both plans are attached to this report. The Council may adopt the first reading of the ordinance for one of the two plans. The second reading of the ordinance will be agendaized for December 17, 2013. The ordinance would be effective on January 19, 2013.

BACKGROUND

Berkeley City Charter Article V, Section 9 requires City Council district boundaries to be adjusted, if needed, following each decennial census. Staff initiated the redistricting process in 2011. This initial process was deferred to 2013 to allow for the outcome of a vote on a Charter amendment on the November 2012 ballot to modify the redistricting requirements. That Charter Amendment was approved and the current redistricting

process was initiated in January 2013 in order to allow for approval of new districts by December 31, 2013, as required by the Charter. New districts would thus be in place for the November 2014 municipal election.

The 2010 census data released by the Census Bureau shows Berkeley's population increased by 9,836 people between 2000 and 2010. The total population for Berkeley is 112,580. This represents a nine-percent increase over the 2000 population count of 102,744.

As in prior years, the redistricting process began with an opportunity for the public to create and submit redistricting plans. The process also included two public hearings for review and consideration of the proposals. In addition, two community meetings were held prior to the first public hearing for citizens to ask questions of staff and obtain information on the submitted plans.

The deadline to submit redistricting plans was March 15, 2013. The City Clerk received seven plans from members of the public by the deadline (listed in the order in which they were submitted).

1. Alfred Twu
2. Berkeley Neighborhoods Council
3. Berkeley Student District Campaign
4. Eric Panzer – Edge Simplicity Plan
5. Eric Panzer – Idealized Plan
6. Kristin Hunziker
7. Alejandro Soto-Vigil – Jurisdictional Plan

The City Manager, City Attorney, City Clerk, and Information Technology Departments provided an analysis of all Charter-compliant plans at the first public hearing on May 7, 2013. After the presentations, public comment, and discussion at the first public hearing, the Council focused the consideration of redistricting proposals to the Berkeley Student District Campaign plan and the Eric Panzer (Edge Simplicity) plan for the second public hearing on July 2, 2013. At the meeting of July 2, 2013, the City Council directed staff to prepare an ordinance for adoption based on the Berkeley Student District Campaign redistricting plan.

POSSIBLE FUTURE ACTION

The Council may provide direction with regards to a proposed ordinance. If any amendments or alterations are requested, those changes may be resubmitted to the City Council at a future meeting. However, any delay in adopting the first reading of an ordinance may result in the Council missing the December 31 deadline for adoption of the redistricting ordinance.

FISCAL IMPACTS OF POSSIBLE FUTURE ACTION

None.
