Berkeley City Council
2134 Martin Luther King Jr. Way
Berkeley, CA

Dear Council Members:

We are the owners of a small gallery and custom picture framing shop, Stoll Custom Framing and Gallery, at 1755 Solano Avenue in Berkeley. We are writing to respectfully notify you of our non-support and protest of the establishment of a Business Improvement District for Solano Avenue. We do not feel that either the establishment or assessment of fees for a BID is necessary at this time.

Sincerely,

George Kanakis
