Subject: take down the tower

Hi Donna,

Please forward this letter to the entire City Council.

Thanks,

Janice

Dear Members of the Council,

I am writing to strongly urge the Council to take definitive action to remove the controversial radio tower from the Public Safety Building area. The plan for having the tower located in separate locations is the safer plan because three towers are less vulnerable than one tower. It would also ensure reception within the Public Safety Building.

Sincerely,

Janice Haugan
