RE: Zoning Permit USE PERMIT #04-20000023 – Hearing scheduled for Oct 5th, 2004
A compromise offered and was rejected – Additional information

We would like honorable members to note that we had proposed a compromise to Mr. Rowlinson and one of his tenants, Ms. Robson, in May but had been turned down.

Our compromise was as follows;

- increase our structure height to 3' instead of 4' which would bring our house and Mr. Rowlinson's rental structure to approximately equal height
- pay \$5000 towards the painting of his building of which the paint is badly peeling, causing health hazards to his future neighbors, my parents, as well as to his tenants, especially Ms. Robson who keeps chickens and has a seasonal garden. (Mr. Rowlinson lives in a cottage in his back yard).
