Subject: APPROVE RESOLUTION IN SUPPORT OF SUTTER EMPLOYEES AND PATIENTS

#### RECOMMENDATION:

That the Berkeley City Council approves the resolution in support of Sutter employees and patients.

#### BACKGROUND:

On December 1, 2004 Sutter Health initiated a week lockout of all workers who participated in a strike for a contract that would have Sutter adhere to state mandated staffing ratios like other hospitals throughout California. We would like to support the employees and the patients in receiving the best quality of care in our community.

#### FINANCIAL IMPLICATIONS:

NONE
