Subject: Creation of Restaurant Moratorium for Northside (Euclid) Commercial District Only

#### RECOMMENDATION:

That the Berkeley City Council request that the City Manager take appropriate steps towards the creation of a land use moratorium on new restaurant uses in the Northside (Euclid Avenue) commercial business district, pending study of a land use quota system for the Northside commercial business district.

#### BACKGROUND:

Because of the intense saturation of restaurants in the Northside commercial business district and the requests from Northside businesses, students and residents, we hope the City can create a land use moratorium on new food and restaurant establishments until an appropriate land use study on quota system can be done.

#### FINANCIAL IMPLICATIONS:

NONE
