Subject: Support SB20 California Low Cost Auto Insurance Program

#### RECOMMENDATION:

That the Berkeley City Council supports SB20 California Low Cost Auto Insurance Program.

#### BACKGROUND:

The California Low Cost Automobile Insurance Program (CLCA) was created to make low-cost automobile liability insurance available to low-income, good drivers. Senate Bill 20 will make changes to the existing program to eliminate the following barriers to local, low income, good drivers:

- Expand the program to six additional counties (Alameda, Fresno, Orange, Riverside, San Bernardino, and San Diego)
- Eliminate the vehicle value threshold and limit of two CLCA policies per household
- Eliminate the sunset date of January 1, 2007 to make the program permanent
