Subject: Adopt proclamation for Edith Kramer Day in Berkeley

RECOMMENDATION:

That the Berkeley City Council adopts a proclamation for Edith Kramer Day in Berkeley.

BACKGROUND:

In July after twenty-two years as senior film curator and director of the Pacific Film Archive, Edith Kramer will retire. She is the inspirational spark that has touched the lives of many filmmakers, scholars, students and cinema buffs over her 30 years at the Pacific Film Archive. She has shared with us her enthusiastic embrace of the unique history of film throughout the world, her dedication to film preservation and restoration, and her vision of education through various film festivals, UC Berkeley courses, and public discussions with well known authors, scholars, artists and directors. She has cultivated respect from local and international film communities for her contributions to the Pacific Film Archive in making it one of the world's leading film centers. We want to honor her for enriching our community with her passionate love of cinema.
