RE: 1532 Martin Luther King Jr. Way – Use Permit No. 04 – 10000079

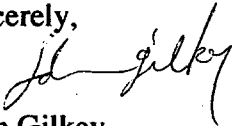

Dear City Council Members,

I reside at and own 1837 Cedar St. I would like you to know that I feel the proposed changes to 1532 MLK Jr. would strongly effect my home. The proposed new roofline would completely block out the only view of the hills this single level home provides and further enclose this charming 1907 Craftsman Bungalow among yet another towering neighborhood addition. Also, I am concerned about the effect the new unit would have on parking and traffic at the already congested intersection of Cedar and MLK Jr. Way.

I strongly urge you to decline granting this Use Permit.

Thank you for your consideration.

Sincerely,

John Gilkey
