Subject: Contract: Legislative Representation Services

RECOMMENDATION

Adopt a Resolution authorizing the City Manager to execute a contract and any amendments with Lynn M. Suter & Associates to provide the City with legislative representation services in Sacramento from July 1, 2006 to June 30, 2007, in an amount not to exceed \$49,970.

FISCAL IMPACTS OF RECOMMENDATION

The contract fee for Lynn M. Suter & Associates is an annual total of \$49,970 for FY 2006-07, to be paid in equal monthly installments. Budget Code 010 9701 410 3038.

CURRENT SITUATION AND ITS EFFECTS

Lynn M. Suter & Associates has provided services to the City of Berkeley as a legislative representative in Sacramento. The relationship has afforded the City better access to activities, processes, and funding opportunities in the state capitol.

As Berkeley's advocate in Sacramento, Ms. Suter acts as a liaison with the State legislature, departments and regulatory agencies. She and her staff regularly monitor state legislation, which affects the City; advocates amendments to legislation in accordance with City positions approved by the City Council; represents Berkeley's interests to State administrative agencies; and works for the City's benefit in the State budget process.

Further, Ms. Suter's office informs the City about new legislation and amendments through written updates and coordinates with Berkeley's State Assembly and Senate offices to track on-going topics of legislative interest and act on behalf of the City in urgent matters. Ms. Suter and her staff use the Council-adopted positions on State legislation as the foundation for an organized plan in her contact with State legislators and other State officials. Upon adoption by the Council, these positions are sent to Ms. Suter's office, so she and her staff can act in the most effective way to communicate Berkeley issues in Sacramento.

Ms. Suter and her staff have worked on numerous bills on Berkeley's behalf this year. They include AB583 (Hancock), which will authorize eligible candidates for state elective office to obtain public funds for their campaigns. Other bills that Lynn M. Suter & Associates is trailing

include: AB2140 (Hancock) linking City mitigation plans with their general plans; SB840 (Kuehl) on single-payer health care coverage; SB1180 (Migden) on alcohol use prevention in minors; and, AB2987 (Nunez) pertaining to the ability of telephone companies to compete against cable firms via state-issued franchise rather than through negotiations with local government.

RATIONALE FOR RECOMMENDATION

The State legislative support process is an intricate and complicated one and having the services of an experienced and successful advocate is essential to safeguard City positions. Ms. Suter has long been associated with Berkeley and has longstanding and successful relationships with legislators, State department officials and staff at the regulatory agencies. Her work on Berkeley's behalf has been critical to the success of many state-funded programs in Berkeley and in maintaining a steady conduit of information from the State capitol.
