Subject: Housing Trust Fund Allocation

RECOMMENDATION:

That the Berkeley City Council refer one million dollars to the Budget process to be considered for allocation for the Housing Trust Fund to provide matching funds for affordable housing in Berkeley.

BACKGROUND:

Affordable housing is one of the primary needs of many Berkeley residents. The Housing Trust Fund is a major resource for stimulating the development of affordable housing. In addition, this investment of city monies could leverage additional investments from State, Federal, and regional sources. Housing should be a priority in the 2007-2008 budget.

FINANCIAL IMPLICATIONS:

\$1,000,000.00 if approved in June
