FOR FISCAL YEAR 2002-2003**

**CITY COUNCIL CHAMBERS, 2134 MARTIN LUTHER KING JR. WAY**

**May 21, 2002, 6:00 P.M.**

The Berkeley Housing Authority (BHA) is proposing adoption of the Agency's Annual Plan update for Fiscal Year 2002-2003. The Plan outlines the BHA goals and objectives for Fiscal Year 2003 for its Section 8 and Public Housing Programs. Public housing authorities are required to adopt the updated Plan as mandated by the U.S. Department of Housing and Urban Development.

The draft Plan was published on April 5, 2002, which commenced a 45-day public comment period. During this time, the public has the opportunity to comment on the Plan contents. Copies of the Plan are available for review during normal business hours at the following locations: 1901 Fairview Street (Berkeley Housing Authority), 2180 Milvia Street (Housing Department), and 2121 Allston Way (Berkeley Central Library).

The draft Plan was prepared with the assistance and input from the Resident Advisory Board (RAB). The ten members of the RAB consist of five Section 8 participants appointed by the BHA Board and the five members of the Public Housing Resident Council. The specific role of the RAB is to advise the BHA on the development and update of the Agency's Annual Plan update.
