

Planning and Development Department
Toxics Management Division

Community Environmental Advisory Commission

Regular CEAC Meeting of 6/1/2000
DRAFT ACTION MINUTES

I. Roll Call: Absent: Pinderhughes, Wozniak

II. Report From Chair:

.

III. Announcements from Commissioners:

IV. Comments from the Public:

V. TMD Staff Report:

Copy given.

VIII. c) UCB Hillside Fuel Reduction Project. Caseber listed concerns re controlled burning at UC/LBNL in light of fires at New Mexico Los Alamos Federal Facility. Chief Garcia stated his opposition to banning or controlling prescribed burns as it was a tool necessary for fire fighting in the Berkeley Hills. Smith indicated some desirable outcomes from burning that can benefit indigenous flora.

VIII. b) Air Monitoring Project, Robert Clear gave a packet showing localized effects of particulate emission sources from ethelometer from McGee Scientific instruments.

VII. Adoption of Past Minutes

- ◆ April 6, 2000 (MSC Grossman/Smith/ Unan. Absent: Pinderhughes, Wozniak, Morgan) with corrections.
- ◆ May 4, 2000 (M/S/C Luten/Caseber/For: Caseber, Chatterjee, Luten, Selawsky, Smith. Abstain: Grossman Absent: Pinderhughes, Wozniak, Morgan) with corrections.
- ◆ May 24, 2000 (MSC Grossman/Smith/ Unan. Absent: Pinderhughes, Wozniak, Morgan) with corrections.

VIII. A. Well Survey

That City Council instruct that a letter be sent to the San Francisco Regional Water Quality Control Board (RWQCB) and the State Water Resources Control Board (SWRCB) requesting that these agencies maintain the highest possible uses of groundwater in the Berkeley sub-basin in the amended Water Quality Control Plan (Plan).

MSC Smith/Caseber/Unan Absent: Morgan, Pinderhughes, Wozniak.
