The Subcommittee will discuss and may take action to forward a recommendation to the Parks and Recreation Commission regarding beginning the APIP environmental review process
7. **Adjournment**

The Aquatic Park Subcommittee was formed by the Parks and Recreation Commission in March 2006. The main focus of the Subcommittee is to help guide design and environmental review of the Aquatic Park Improvement Program (APIP), which proposes hydrology and habitat restoration improvements at the Park. Please contact Deborah Chernin, Principal Planner, for more information about the APIP or this meeting at (510) 981-6715.
