CONSENT CALENDAR  
September 29, 2009

To: Honorable Mayor and Members of the City Council

From:  Phil Kamlarz, City Manager

Submitted by: Douglas Hambleton, Chief of Police, Police

Subject: Grant and Contract: 2009 Recovery Act Edward J. Byrne Memorial Justice Assistance Grant Local Solicitation (ARRA JAG)

RECOMMENDATION

Adopt a Resolution authorizing the City Manager to accept \$285,168 in Federal funds from the 2009 Edward J. Byrne Memorial Justice Assistance Grant Local Solicitation (ARRA JAG) to be used for funding costs associated with crime and violence suppression patrols related to serious violent crimes for a period of approximately 36 months.

FISCAL IMPACTS OF RECOMMENDATION

The City of Berkeley allocation for Federal Fiscal Year 2009 is \$293,988 of the \$5,408,422 awarded to the County of Alameda in ARRA JAG funds. The County enacted a three per cent administration fee resulting in a net award of \$285,168. Following appropriation authority in the first amendment to the FY 2010 Appropriations Ordinance, funds will be deposited in 952-7202-331.10-33 and expenditures taken from various 952-7202-420 line items.

CURRENT SITUATION AND ITS EFFECTS

The Police Department will use these federal funds to help relieve the pressures on the General Fund relative to overtime costs for enforcement and investigation as well as equipment or technology needs used to promote community safety.

BACKGROUND

This funding is in addition to the annual 2009 Edward J. Byrne Memorial Justice Assistance Grant and made possible through the American Reinvestment and Recovery Act. The intent of the funding is to support a broad range of activities to prevent and control crime and to improve the criminal justice system.

Mirroring the on-going JAG Program, funding is based on a formula that includes population and reported crime rates, in combination with a minimum allocation to ensure that each state and territory receives an appropriate share. The program requires a joint application by all eligible agencies in Alameda County. The Alameda County Police Chief's and Sheriff's Association agreed to have Alameda County Sheriff's Office

process the application and act as fiscal agent for the contract. For that responsibility, the County retains 3% of the total funding of \$5,408,422. The funds are allocated to the countywide narcotics task force and to all Alameda County jurisdictions for unmet needs in law enforcement.

RATIONALE FOR RECOMMENDATION

The Berkeley grant allocation will be used to fund overtime costs associated with violence suppression patrols related to serious violent crimes. The department will be able to increase its high visibility uniformed patrol as well as investigation and surveillance operations with the use of officers and additional personnel on an overtime bases. The grant will allow for training, equipment or technology purchase if necessary to fulfill the purpose of the grant.

ALTERNATIVE ACTIONS CONSIDERED

There are no alternative funding sources currently available to support these crime prevention efforts.
