RECOMMENDATION

Add the Warm Water, Willard, King, and West Campus Pools to Work Plan FY 2012.

BACKGROUND

The Citywide Work Plan is an excellent document detailing the numerous complex and priority projects that the City of Berkeley is working on. We want to make sure the Willard Pool and the Warm Water Pool make it to the list as individual identified programs and are reopened. The King and West Campus pools are in need of renovations as well.

Please add to:
